## RECA Operation Dominic, Have you claimed yet?

In the 60th year of Operation Dominic, a 2 year extension to the current Radiation Exposure Compensation Act has been passed through the Senate & has become law.

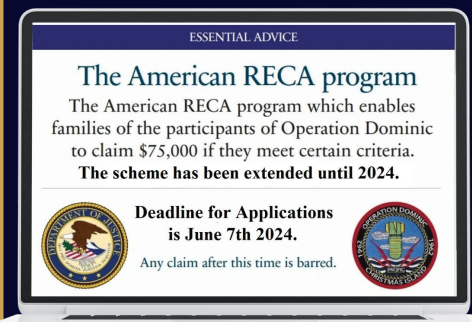

Legislation is going through the US Legal system to extend the program and to increase the compensation payable from \$75,000 to \$150,000 which will be paid retrospectively to anyone who has previously received \$75,000. We have been working with the National Association of Atomic Veterans on the legislation to ensure that the RECA program is extended so that any Operation Dominic families who is eligible for the scheme can claim.

**Eric Barton** is our Operation Dominic representative and has helped many families to receive their compensation and is monitoring the situation in the US very closely. If you are unsure if you qualify, you can contact him on **+44 7484 699705** or **email [info@reca.uk](mailto:info@reca.uk)**. Eric can help with all aspects of the claim, from initial enquiry to help with form filling and document collation. The extension of the scheme is confirmed till **June 7th 2024**, so you need to act now if you believe you have a claim.

You can visit the only dedicated website to Operation Dominic at **<https://reca.uk/>** it contains information about the tests, images and videos.
